

**Are you a business client based in the European Union?
Would you like to buy a used vehicle from us?
If so, then please note the following points!**

We need the following documents from you prior to conclusion of a contract:

- ✓ Valid VAT no.
- ✓ Official statement of company including address
- ✓ Current extract from the trade register or trading certificate
- ✓ Legible and valid copy of the managing director's or owner's ID card
- ✓ Internet address or online telephone directory (Yellow Pages)
- ✓ Are you an intermediary? If so, we require written authorisation from your client together with a valid copy of their ID card

Payment

Only transfers from your business account will be accepted prior to collection.
(The money must have been received by the date of collection)

- We will check the necessary documentation.
- After release and conclusion of the contract, you will be required to provide us with further information.

How will the vehicle be collected?

- | | |
|------------------------------|---|
| • Haulage company | Which one? |
| • Collection in person | Who? |
| • or by an authorised person | Who? |
| | Written authorisation from the managing director or owner |

If to be collected by a haulage company:

- Proof of order from the client
- CMR consignment note with confirmation of receipt from the client and proof of carriage from the haulage firm

For any other type of collection:

- Signed affirmation of receipt by the client or authorised person

Please note:
Collection must be arranged at least 2 days in advance.
